CASE STUDY

Royce Pierreson is an actor with an independent production company. He needs to find a costume designer for his upcoming short film.

With our AI assistants, we analyze all of the costume designers who've worked on short films in Sweden in the past five years.

#wardrobeproblems

BUSINESS MODEL

We sell NFT Memberships which unlock an access pass to our platform. Each pass includes:

- Personalized Data Sets
- Consultation
- Up to 50 custom solutions per month
